Approaching Miami - 11-23-90

from West or NW - swamp

and ~~lakes~~ channels

housing -

Lacsa - leaving Miami

tip of Florida

fly over western Cuba - on the

southside many volcanos + green water

fly over Gulf of Mexico

Coastline Nicaragua? Costa Rica?

Swamp land, wet land, meandering rivers

Suddenly through the clouds

Such green, fields, houses, hills etc

Arrive San Jose

met + taken to Hotel Balmoral

~~eating~~ dinner - conversation slow at

first but I feel sure it will pick up!

Jim Lewis our guide introduces CR

up at 6 AM tomorrow!

changed $40 into 4000 ~~colones~~

COLONES

11-24-90 Saturday

Drive to Poas
Coffee 850 - 1600 m.
Flower + Fern farms
Fields all shades of green
all shapes + textures
Senecio tree - furniture
Walk up to Poas crater
in mist + then rain - could not
see much no pictures everyone soaked
but in good spirits -
Sarchi for lunch - ox carts
did not buy one - bought wooden
fruit, but did not have enough
Time to look around -
Stopped for drinks at ?? I NEED
a map. Picture of boys at
fruit market
Long 4 or 5 hours drive up to
Monteverde

finished roll #1
started roll #2

11-25-90

Joe got up for bird walk at 5:45
I got up for breakfast at 7
up to Monteverde Cloud Forest in bus
Trail thru forest - fabulous -
Amazing but almost too much
for me - up, down, up, down etc
Wear rain suit - Took few pictures
I did enjoy it but wished I could
stop more - so much to see
bought map at center $2.00
(mapa ecologico)
After lunch + rest set off again
in bus along same road - at a
turn-off we all walked (easier walking)
looking for birds - (looking for rocks
& flowers. Took a few pictures
Beautiful road.
Good dinner - group is really warmed up

11-26-90 Monday

Breakfast at 7
then off to Monte Verde
Cloud Forest - saw
sloth in tree on the
way. Hiked trail
(different from yesterday)
Jim gave good explanations. Clair
and I came back about 3/4 of the way
(I am determined not to get too tired)
Bought an embroidered bag $10.40
and an enamelled pin $3.50
Not much time a lunch + we are
off again - Cheese Factory, Craft
shop. [about $800 colones] Another
walk down same road as yester-
day - beautiful (the birders were
really into it!) I spent a while
sitting on a log
- pictures in PM only

2 toed sloth
cecropia tree
Quetzel
Lauraceous
fruits

discovered I had not set film
speed on camera RATS

11-27-90 Tuesday

Early start and we leave Monteverde Lodge - Down the steep winding road we came up on Saturday Such a beautiful country - Took our time - to look for birds + take pictures Such steep hills Such curving roads. Picnic lunch at the edge of the Lagerta River near where it meets main road. Off then toward Carara Bio Center Stopped at Rio de la t - saw lots of birds including Scarlet Macaws! Walked in Reserve - beautiful Parrots. DOOne To Puntarenas to spend the night at Hotel Tioga Open air swim pool surrounded by vegetation - great Service. Dinner on porch of a restaurant down the street Terrible sleep - but short as we got up at 5:1

11-28-90 Wednesday

Left Tioga at 5:45 + drove 3/4 hr to have breakfast in a charming place - off to Carara Bio preserve - walked very muddy trail in the pouring down rain. Had morning (I fell) Looked at Flora mostly - it was really* beautiful but we were all a mess saw white faced monkeys across road. *Manuel washed everyones feet (boots)

Went back to breakfast restaurant and had a super wonderful lunch Ray collected money for tip for Manuel - then we took off for San Jose Very interesting drive (but people kept falling asleep)

Back to Balmoral with the meals at Presidente. We have a front room with balcony overlooking street fun. Spent the evening repacking - so that we had only 25# in the AM

no camera

11-29.30 Thursday

Breakfast at 6:30. Everyone got on bus to go to airport. I stayed with Jim walked to Costa Rica Exp. HQ - hung around about an hour. Then off to airport for a quick flight to Tortuguera - Tortuga lodge - Everyone glad to see us! wonderful tropical place - Thatch roofs. big windows - nice planting all around. Jim takes us on tour of gard + plants. howler monkeys + a heron by the waterfront. Lunch and a nap. Off to the river - 3hrs in a boat going up river - birds, flowers - monkeys. Wonderful Wonderful (Shades of CBH)

new film →

After supper another boat ride - in the dark with torches

11-30-90 Friday

Breakfast at 7 - of course
at 830 took the boat to the inlet
and walked down the beach -
glorious! Sun was HOT (sun screen)
walked as far as the marine turtle
place and then were boated to tortu-
gea. Walked around the village
After lunch + a nap (walked along
home base + took pictures
At 2:30 into the boat for a wonderful
trip up the "Black Lagoon"

check out
Tortuga Lodge
$71.90
$73. —

caiman or crocodyle?
cacao? (Tortuguero)

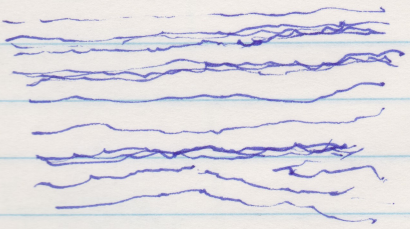
22 Mar 1991

Jackson Co. Hilly shales + sandstone, small farms pine trees

Huntington, WVa magnolia in bloom, green willows

Charleston - I think I would like to visit there. From 1564

Upper river. SS + coal.
ID river before Shearon. A little town squeezed between the river and the hills.
Massive SS + coal



yellow flowers?

KE

He will sharpen up this place — the organization will be much more sophisticated than it is presently. I think we will lose some of the comfortable informality that we now have. He will make our program more coherent, with more continuity — and, I believe, with more appeal to the public —

Affable, amiable, outgoing, intelligent, outspoken, creative, quick thinking

this fellow is an outdoor Educator. He is in deep with planning, program and classes.

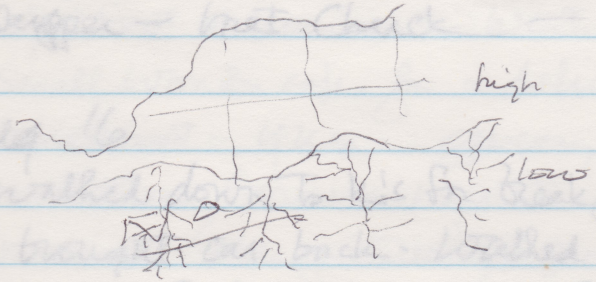
dark (trees) meander, stream

1 - E. Colorado? bare hills, green tree edges, large square fields



arrive Stapleton + find AB bus
Kate takes us to "Foot of the Mountain" Motel. neat!

Aug 15

Walk down Arapahoe to Kate's for breakfast, the Two of us. Drive Kate's car to EDF - meet people
walk over to the Pearl Street mall meet K for lunch - Russian Cafe drove back to motel - rested + walked around the park until supper - with Kate to Walnut St Brewery for supper - met Chuck -

Aug 16.
walked down to K's for breakfast + finished lunch
brought car back - walked up to Settler's Park - wore boots - this was a hike! Steep climb up to meadows behind Flag Rocks - Wonderful, Beautiful - I loved it. Many pictures. the climb back down was HARD - necessitating hot bath at motel & rested + relaxed until 5 - then drove down to EDF

To get Katie. Went to EDF party at outdoor bar at Boulderado — then went to the Rodeo at the County Fairgrounds in ~~Lyons~~ Longmont - FUN this was a 4-Thunderstorm day best we got only minimally splashed — (Rainbow pictures on way to Lyons)

Aug 17

Katie came + got us + all our belongings at 9:30 as we had to get out of "Foot of Mountain" - went to Small Wonder cafe for a delicious breakfast - YUM - grocery store and then Farmers market - great market (More pictures) Spent time at Kit's working in her yard + goofing around. Katie drove us up to Gold Hill + around the scenic block, so to speak. pictures on → Switzerland road - then home to make pot. Salad to take to Chucks for dinner + evening of Alaska slides -

Aug 18 — Sunday

Between Gold Hill + Chuck's for dinner we dropped our belongings off a Kalmia House Bed + Breakfast yesterday. Nice place - quite different from a Motel - and all BLUE! We had a nice breakfast there + then washed + dressed to go to Katie's brunch interesting groups of friends and very good food!! Spent the rest of the day relaxing - had a "quiet dinner at home" and rented a movie! went back to B+B early + watched "I Claudius"

Aug 19 —

After a delicious breakfast, packed up our belongings and left B+B. Returned the movie + VCR and then went to Eldorado. Wonderful walk up to visitor center + back. Cloudy but nice day. Spent time watching climbers - Got back to town at mid afternoon - had a sandwich at Alfalfa's - then checked in at "Foot of Mt" Met Chuck + Kate for fabulous dinner at Flagstaff

pictures

Shalaboo - 45 -

Aug 20 -

Off to a late start - breakfast at Kate's and then we 3 headed south to Golden + then Mt Evans Drove to the top 14,000 ft - what a ride! Saw goats, sheep, great vistas Drove 10+ miles thru Tundra before reaching top. Cold but wonderful Finished roll #2 on flowers, started roll 3 on goats? sheep?
Had lunch in Idaho Spring - we were hungry! then off to Central City - it was late, rainy and everything closed or being worked on so we didn't stay long -

Aug 21

Spent the AM doing laundry + had lunch with Danlescke, IC's boss interesting man (and his son!). Bought a Zuni Kachina * Had dinner at Italian restaurant with Linda - Chuck also / nice time

* pictures up Boulder Creek by the path

visitor center

Aug 22

packed up, ate breakfast at Vakies - got out of town by 11 - Beautiful drive thru Golden, up Rt #6 to I-70 over Front Range down valley to Climax Molybdenum - pictures - thru Leadville, headwaters of Arkansas River - and down river valley - beautiful valley with mountains on both sides. Stopped at Valley View hot springs - and soaked! - fun, but a very strange place (no pix) ~~Aug 23~~ Drove on to Alamosa where we spent the night in an ordinary place.

Aug 23 - After breakfast drove to great sand dunes Nat. Mon. - Stayed there about 4 hours - What a fabulous place! We all walked up up up in the hot bright sun. Kate + Joe went further and I turned, took pictures - had a marvelous time. Had a picnic at the park and then rushed off to ~~the~~ Laughing Horse Inn in Taos - NOW that was an experience, hot tub and all

Aug 24 - Saturday

Beautiful drive from Taos to S.F. - Gorgeous! (High road) Stopped at Chimayo for lunch but the wait was too long as we ~~had~~ were late. Had drinks & appetizers Arrived at La Posada in good time, relaxed and then got all dressed up and went off to dinner & the opera. Dinner very elegant - met some interesting people including Melzenbaums who sat at our table! Opera was superb - moonlight & all —

Aug 25 -

Enjoyed our luxurious quarters at La Posada - sitting room, ~~dressing~~ bed room, porch and a ~~luxurious~~ leisurely ~~lunch~~ breakfast on the outdoor terrace. Walked down Palace Street and spent hours on the Governor's Palace porch. Katie and I went inside to museum & and also visited Cathedral as Joe had gone back to hotel. We all rested and then met B. Zarlengo and her parents for dinner at "La Traviata" (Italian restaurant. I am beginning to feel full all the time!)

passport stuff .50

Chinese puppets

Navajo dolls $16

Aug 26

Pulled ourselves together fairly early and went to Bandelier Nat. Mon. Both Joe + Kate loved it and walked the full extent. It was as wonderful as I remembered, and every bit as hot! We didn't get out till 2:30 and then drove to Los Alamos for lunch which was a big disappointment as we couldn't find anything but a McDonalds. After a rest at Posado in our new more modest quarters (one room) we walked downtown for dinner at La Cantina. What a funny place!!!

Aug 27

Kate and I went to the Folk Art museum in the am - Fabulous! The 3 of us went to the opera for a Tour of the costume department by LeAnn Mahoney and then had lunch with Barbara at Tesuque Village market. After which Kate and I went back to the museum! We walked downtown for dinner at Olgevie's and then walked around town a bit - reluctant to end a wonderful trip
